

Seonghyeon Jeong

Courses Taken

FS 2016

- Partial Differential Equations 1
- Geometry and Topology 1
- Functional Analysis

SS 2017

- Partial Differential Equations 2
- Geometry and Topology 2
- Hyperbolic & Dispersive Equations

FS 2017

- Harmonic Analysis 1
- Riemannian Geometry 1
- Topics in PDE for Applied Math

SS 2018

- Linear and Nonlinear Parabolic Equations
- Readings in Mathematics(Topic : Optimal Transport)

FS 2018

- Regularity for Second Order Elliptic Equations

SS 2019

- Real Analysis 2

FS 2019

- Topics in Analysis(Topic : Optimal Transport)

SS 2020

- Readings in Mathematics(Topic : Semi-Riemannian Geometry)
